

Ohio Administrative Code

Rule 5101:9-6-09 Food assistance employment and training (FAET) allocation.

Effective: [October 22, 2021](#)

(A) The supplemental nutrition assistance program (SNAP) employment and training grant reimburses the county department of job and family services (CDJFS) for costs associated with ensuring compliance with federal SNAP regulations. The Ohio department of job and family services (ODJFS) distributes this grant to each CDJFS through a FAET allocation.

(B) ODJFS issues the FAET allocation on a federal fiscal year (FFY) basis. The FAET allocation ends and liquidates the last quarter of the federal fiscal year (FFY).

(C) The FAET allocation consists of one hundred per cent federal funds. This allocation is under the authority of 7 C.F.R. parts 272 and 273 promulgated by the United States department of agriculture. The assistance listing number (ALN), formerly known as catalog of federal domestic assistance (CFDA) number for this allocation is 10.561.

(D) The following methodology is used to distribute available funds for this allocation.

(1) Thirty per cent is based on county population less than one hundred per cent of the federal poverty level utilizing the most recent calendar year (CY) data from the United States bureau of census.

(2) Thirty per cent is based on county population less than two hundred per cent of the federal poverty level utilizing the most recently available CY data from the United States bureau of census.

(3) Thirty per cent is based upon the county's adjusted recipients. The number of adjusted recipients is equal to the total of the categories of non-public assistance food assistance recipients, disability financial assistance (DFA) recipients and disability medical assistance (DMA) recipients, adult medicaid recipients, healthy start recipients, children health insurance program (CHIP) recipients, temporary assistance for needy families (TANF) related medicaid recipients, and TANF recipients.

(4) Five per cent is based upon the county's average unemployment rate as compared statewide in the same category, utilizing the most recently available report month.

(5) Five per cent is based upon the county's poverty rate. A county's poverty rate is identified as the percentage of the county's population living at or below the federal poverty level.

(E) Upon completion of the steps in paragraph (D) of this rule, a 0.3 per cent adjusting factor is used to increase or decrease the allocation based upon the county difference to the statewide average per capita income. ODJFS will calculate the applied adjustment as follows:

(1) Counties with a higher per capita income than the statewide average will receive the adjustment as a decrease; and

(2) Counties with a lower per capita income than the statewide average will receive the adjustment as an increase.

(F) ODJFS caps the formula-calculated allocation amounts at a four per cent increase and decrease from the previous FFY. If a decrease or increase in the statewide amount results in counties' allocations fluctuating more than four per cent, ODJFS will not apply the formula, but will decrease or increase each county's previous FFY allocation by the percentage of change to the statewide amount.

(G) Expenditures that may be properly charged against this allocation include administrative, direct delivery, contracted, and purchased services costs for the FAET program as detailed in rules 5101:4-3-29 to 5101:4-3-38 of the Administrative Code.

(H) Allocation redistribution is pursuant to rule 5101:9-6-02 of the Administrative Code.

(I) A CDJFS may redistribute excess expenditures of the FAET allocation by the following:

(1) A financial coding adjustment which allocates fifty per cent to the FAET operating allocation and fifty per cent to the income maintenance allocation as outlined in rule 5101:9-6-05 of the Administrative Code, and/or;

(2) A post allocated adjustment to the child, family and community protective services allocation as outlined in rule 5101:9-6-12.4 of the Administrative Code.

(J) CDJFS expenditures must be reported on the JFS 02827 "Public Assistance Quarterly Financial Statement" as described in rule 5101:9-7-29 of the Administrative Code.

(K) The definitions, requirements, and responsibilities contained in rule 5101:9-6-50 of the Administrative Code are applicable to this rule.
