

Ohio Administrative Code

Rule 5120:1-14-10 Specific operating standards for community-based correctional facilities.

Effective: [March 22, 2021](#)

The department of rehabilitation and correction is authorized to establish specific operating standards for community-based correctional facilities funded through the bureau of community sanctions.

Such standards shall include but not be limited to the following:

- (A) Governing board meeting requirements.
 - (B) Data entry or submission upon request, possibly including but not limited to: GED results and education level of offenders at entry and exit.
 - (C) Housekeeping and maintenance expectations.
 - (D) Security and offender identification expectations.
 - (E) Surveillance requirements for any offender placed in any type of restrictive housing or protective watch.
 - (F) Prison Rape Elimination Act (PREA) Investigation and reporting requirements.
-
