

## Ohio Administrative Code

### Rule 5120:1-3-06 Halfway house licensing standards.

Effective: July 1, 2024

---

(A) The department of rehabilitation and correction licenses halfway houses funded through the bureau of community sanctions that comply with performance-based and program specific standards for halfway houses funded as determined by the bureau of community sanctions. In accordance with applicable department policy, compliance will be determined by the bureau through an annual or bi-annual program review with site visits in the intervening years intended to monitor program progress toward compliance with program recommendations. Unannounced site visits may be conducted.

(B) In addition to establishing minimum operating expectations, bureau of community sanctions performance-based standards serve as a guide to the programs to implement effective evidence-based community corrective practices.
