### Rule 5123-9-46 Home and community-based services waivers - participant/family stability assistance under the level one and self-empowered life funding waivers.

Effective: December 1, 2024

---

#### (A) Purpose

This rule defines participant/family stability assistance and sets forth provider qualifications, requirements for service delivery and documentation of services, and payment standards for the service.

#### (B) Definitions

(1) "Agency provider" means an entity that directly employs at least one person in addition to a director of operations for the purpose of providing services for which the entity is certified in accordance with rule 5123-2-08 of the Administrative Code.

(2) "County board" means a county board of developmental disabilities.

(3) "Department" means the Ohio department of developmental disabilities.

(4) "Family member" means a person who is related to the individual by blood, marriage, or adoption.

(5) "Independent provider" means a self-employed person who provides services for which the person is certified in accordance with rule 5123-2-09 of the Administrative Code and does not employ, either directly or through contract, anyone else to provide the services.

(6) "Individual" means a person with a developmental disability or for the purposes of giving, refusing to give, or withdrawing consent for services, the person's guardian in accordance with section 5126.043 of the Revised Code or other person authorized to give consent. An individual may designate another person to assist with development of the individual service plan and budget,

selection of residence and providers, and negotiation of payment rates for services; the individual's designee shall not be employed by a county board or a provider, or a contractor of either.

(7) "Individual service plan" means the written description of services, supports, and activities to be provided to an individual.

(8) "Participant/family stability assistance" means training (including education and instruction) and counseling (including consultation) that enhance an individual's ability to direct services received and/or enable an individual and/or family members who reside with the individual to understand how best to support the individual in order that the individual and the individual's family members may live as much like other families as possible and to prevent or delay unwanted out-of-home placement.

(a) Participant/family stability assistance may be utilized only by the individual and family members who reside with the individual and will be outcome-based, meaning that there is a specific goal for the service which is recorded in the individual service plan.

(b) Participant/family stability assistance includes training and counseling related to accommodating the individual's disability in the home, accessing supports offered in the community, effectively supporting the individual so that the individual may be fully engaged in the life of the family, and supporting the unique needs of the individual.

(c) Participant/family stability assistance includes the cost of enrollment fees and materials, but does not cover travel expenses or experimental and prohibited treatments.

(9) "Service documentation" means all records and information on one or more documents, including documents that may be created or maintained in electronic software programs, created and maintained contemporaneously with the delivery of services, and kept in a manner as to fully disclose the nature and extent of services delivered that includes the items delineated in paragraph (F) of this rule to validate payment for medicaid services.

(10) "Usual and customary charge" means the amount charged to other persons for the same service.

(C) Provider qualifications for participant/family stability assistance-training

(1) Participant/family stability assistance-training will be provided by an independent provider or an agency provider that:
