

Ohio Administrative Code Rule 5139-68-06 Special release reviews.

Effective: October 20, 2014

The purpose of this rule is to provide consistent guidelines and criteria on the release authority special release review process.

- (A) The board shall have a special release review process to allow youth that have met their MSED and their expectations prior to their scheduled panel review to be reviewed earlier.
 - (B) The board shall have a special review process to re-examine release approval decisions when circumstances change and youth are no longer meeting the expectations for release.
 - (C) Special reviews may be requested by:
 - (1) The institutional superintendent
 - (2) The regional administrator;
 - (3) The committing juvenile court;
 - (4) The release authority, or
 - (5) The youth through his attorney or the youth advocate.
 - (D) All special reviews shall be completed by a panel and follow the regular release review requirements.
 - (E) All special review denials shall be conducted in person or through the use of technology.
