Effective: June 1, 2021

(A) Each public children services agency (PCSA) shall determine the necessity for continuing or terminating custody of a child in a legally authorized placement for thirty days or more, whether the child's custody is by agreement or court order or whether the child's custody status is temporary or permanent. (3) Consider whether supportive services can provide adequate protection for the child if he or she were returned to his or her own home under a court order of protective supervision, or the agency's involvement is no longer deemed necessary and termination is sought.

(B) The PCSA's or private child placing agency's (PCPA) custody shall automatically terminate when one of the following occur:

Documentation of the notification (written or oral) to a caregiver shall be maintained in the child's case record.

(E) The agency shall provide the following services to prepare the child and his or her parent, guardian, or custodian when the child is to be returned home, which shall include, but not be limited to:

(1) Arranging visits or other contacts as needed between the parent, guardian, or custodian and child to discuss what has transpired between the time of initial placement and the present.

(2) Increasing the length and number of home visits to help the child become reacquainted with his or her family, when applicable.

(3) Providing emotional support for feelings the child may have about leaving the substitute caregiver.

(F) The custodial agency shall provide case planning services to emancipating youth pursuant to rules 5101:2-42-19 and 5101:2-38-05 of the Administrative Code and pursuant to rule 5101:2-38-07 of the Administrative Code, if applicable for the PCPA.

(G) When termination of substitute care occurs, those services offered to and provided to the child and his or her parent, guardian, or custodian in preparation for the child's reunification, adoption or emancipation shall be noted in the child's case record.

(H) The agency shall inform the county department of job and family services (CDJFS) healthcheck coordinator when the child has been returned home and custody has been terminated.

(I) The agency shall provide the parent, guardian, custodian, prefinalized adoptive parent, or a child who is emancipating with a copy of the child's health care record prepared pursuant to rules 5101:2-42-66.2 and 5101:2-38-08 of the Administrative Code upon termination of the child's custody. The agency shall provide the parent, guardian, custodian, prefinalized adoptive parent, or a child who is

emancipating with information about the healthcek program, if the child was in the healthcek program during the child's stay in substitute care.
