

Ohio Administrative Code

Rule 5180:2-42-88 Requirements when a child in substitute care disrupts or is missing from placement.

Effective: August 3, 2023

(A) When there is a disruption of a child's substitute care placement, the public children services agency (PCSA) or private child placing agency (PCPA) shall address and document in the child and caregiver's case record the following information:

(1) Length of time the child was in the particular substitute care setting.

(2) Circumstances which led to the child's removal.

(3) Any efforts to maintain the placement, including supportive services offered to the child and caregiver.

(B) A disruption of a child's substitute care placement shall require an update to the family case plan pursuant to rule 5101:2-38-05 of the Administrative Code or rule 5101:2-38-07 of the Administrative Code.

(C) If a disruption of a child's substitute care placement occurs prior to the child's dispositional hearing, the PCSA or PCPA shall follow procedural requirements pursuant to rule 5101:2-42-93 of the Administrative Code.

(D) Upon receiving notification that a child is missing from a substitute care placement, the PCSA or PCPA shall immediately, and in no case later than twenty-four hours contact both:

(1) Law enforcement for entry into the national crime information center (NCIC) database.

(2) The national center for missing and exploited children (NCMEC).

(E) A report of the missing child is to be submitted to law enforcement and NCMEC and is to include the following, where reasonably possible:

(r) Endangerment information such as:

(i) Pregnancy status.

(ii) Prescribed medications and any medical condition(s).

(iii) Suicidal or homicidal tendencies.

(iv) Description of who may have abducted the child and the vulnerability to being trafficked, sex or labor.

(v) Other health or risk factors, any factual, biographical or historical information, including health or behavioral health concerns that may assist with locating the missing child.

(F) The PCSA or PCPA is to maintain regular communication with law enforcement and NCMEC for updates on progress locating and aiding in the safe recovery of the missing child, including but not limited to:

(1) Possible location of the child.

(2) Who the child might be with.

(3) Additional risk of harm.

(4) Sharing information pertaining to the child's recovery and circumstances related to the recovery.

(G) The PCSA or PCPA shall document in the child's case record the following information:

(1) The date, time and name of the law enforcement agency contacted.

(2) The date and time NCMEC was contacted.

(3) The last known location of the child.

(4) The length of time the child has been missing.

(5) Anyone the missing child may have been with prior to or during.

(6) Efforts and resources used to locate the child.

(H) Upon the missing child's return, the PCSA or PCPA shall address and document in the child's case record the following information:

(1) The circumstances that contributed to the child running away or missing from care. When possible, these factors shall be considered when determining subsequent placements.

(2) The events or experiences that took place while the child was missing, including if the child is found to be a sex trafficking victim. The PCSA shall follow procedural requirements pursuant to rule 5101:2-36-12 of the Administrative Code. The PCPA shall report any allegations of abuse or neglect to the PCSA.

(I) The PCSA or PCPA shall send a copy, within fourteen days, of the documentation identified in this rule to the recommending agency of the caregiver, if the caregiver is not certified by the PCSA or PCPA. The recommending agency shall maintain the information in the caregiver's record.
