

## Ohio Administrative Code Rule 5501:1-5-01 Requirements of certification.

Effective: June 22, 2023

---

(A) Any heliport at which commercial operations are conducted, as defined in rule 5501:1-1-01 of the Administrative Code, shall conform to all FAA requirements found in the current edition of "Advisory Circular (AC) No. 150/5390-2."

(B) All helicopter landing sites must be equipped with an operating wind indicator.

(C) Helicopter landing site touchdown points shall be marked with an "H" or other FAA approved touchdown point markings.
