

## Ohio Administrative Code

### Rule 5501:1-7-01 Penalties for violation of aviation rules.

Effective: April 23, 2018

---

No person shall violate any rules regarding the establishment, certification, approval or operation of any airport, heliport, seaplane landing site, landing field or landing area. Any such violation shall be grounds for suspension, cancellation, or revocation of any certificate of approval issued by the office of aviation pursuant to the provisions of section 4561.11 of the Revised Code, in addition to other penalties provided by law.
