

Ohio Administrative Code Rule 5537-2-04 Vehicle operation.

Effective: September 1, 2023

(A) No person shall operate a motor vehicle on the turnpike unless such person is duly licensed to operate such vehicle in accordance with law.

(B) No person shall operate a motor vehicle on the turnpike unless such vehicle is registered in accordance with law.

(C) No person shall operate a motor vehicle on the turnpike carelessly or recklessly, without being in reasonable control of the vehicle, or in a manner so as to endanger any person or property, or while the operator is under the influence of intoxicating liquor or any narcotic or habit-forming drug.

(D) No vehicle shall be operated on the turnpike in violation of any law or standard, including noise standards promulgated by the United States, the state of Ohio, or the commission, as applicable to that class of vehicle.
