

## Ohio Administrative Code

### Rule 5537-4-04 Exit of vehicle at point of entry.

Effective: September 1, 2023

---

The operator of a motor vehicle on the turnpike who exits at the same toll plaza within the closed ticket system at which the operator entered, if not so authorized, shall be charged a toll for the appropriate vehicle classification which is calculated as if the vehicle traveled from the most distant toll plaza within the closed ticket system.
