

## Ohio Administrative Code Rule 5537-4-06 Excess time movements.

Effective: September 1, 2023

---

A motor vehicle traveling within the closed ticket system that remains within the closed ticket system for a time period that exceeds the time deemed necessary and reasonable to travel the turnpike given the posted speed limits and vehicle entry point shall, upon exiting the turnpike, be assessed a toll for the appropriate vehicle classification and which is calculated as if the vehicle traveled from the most distant toll plaza within the closed ticket system. This applies to vehicle that were issued a toll ticket and vehicles with electronic tolling transponders detected upon entering the closed ticket system..
