

Ohio Administrative Code

Rule 5703-15-11 Sales by railroad dining and club cars.

Effective: April 14, 2024

Railroad companies operating dining and club car service within this state are permitted to traffic in cigarettes at retail sale by securing a retail cigarette license in the county where the headquarters of such dining and club car service is established in the state, as provided by section 5743.15 of the Revised Code.
