

## Ohio Administrative Code

### Rule 5703-9-18 Definition of subscriber for satellite broadcasting service.

Effective: [May 5, 2022](#)

---

"Subscriber" as used in division (VV) of section 5739.01 of the Revised Code includes both residential and business customers. "Subscriber" does not include an AM or FM radio or television broadcast station, a cable television system, or a telecommunications or mobile telecommunications service provider.
