

## Ohio Administrative Code

### Rule 5902-4-13 Determination of sufficiency of documentation.

Effective: May 17, 2010

---

Determinations as to the sufficiency of documentation submitted in support of applications for compensation submitted under this chapter, whether by current or former service members, guardians of current or former service members, or the next of kin of current or former service members shall rest within the discretion of the director of the department of veterans services.
