

Ohio Administrative Code

Rule 742-5-11 Definition of concurrent service.

Effective: April 15, 2023

For purposes of division (G) of section 742.21 of the Revised Code and division (F) of section 742.212 of the Revised Code, the term "service rendered concurrently" shall mean service credit earned in another retirement system during the same time period in which the police and fire pension fund has granted or will grant service credit to such member.
