

## Ohio Administrative Code

### Rule 901:1-19-05 Illegal importation of equine into Ohio.

Effective: June 30, 2016

---

Any equidae imported into Ohio without evidence of a negative test for equine infectious anemia within twelve months prior to the date of importation shall be quarantined as directed by the department until the owner or bailee can furnish to the department a record of an official negative test for equine infectious anemia.
