

Ohio Administrative Code Rule 901:1-5-04 Quarantining for brucellosis.

Effective: August 9, 1968

- (A) The department of agriculture shall place under quarantine any premises on which brucellosis is known to exist or on which there is good reason to suspect the presence of brucellosis.
- (B) The department may release any premises from quarantine upon evidence of a complete negative herd test made not less than 60 days following the removal of all reactor animals.
-
