

## Ohio Administrative Code Rule 901:12-7-01 Feed and Water.

Effective: September 29, 2011

---

The administrative rules in Chapter 901:12-7 of the Administrative Code apply exclusively to beef cattle as defined in section 904.01 of the Revised Code.

All newborn calves must be offered colostrum, or a colostrum replacement within the first twenty-four hours of life.
