

Ohio Administrative Code

Rule 901:13-1-06 Flooding of animal feeding operations.

Effective: April 1, 2016

Each owner, operator, or person responsible for an animal feeding operation shall prevent pollution caused from flooding of animal feeding operations. Animal feeding operations shall not be constructed such that animal manure will be inundated by the twenty-five-year frequency flood. If the twenty-five year frequency flood elevation is not readily known, it shall be based on the best information available or by determining the water elevation associated with the twenty-five year frequency, twenty-four hour duration rainfall event.
