

## Ohio Administrative Code Rule 901:5-27-07 Seed labeler permit application.

Effective: September 23, 2021

---

An application shall be deemed complete if the form prescribed by the director contains all of the following:

- (A) The name and address of the applicant;
  - (B) The telephone number of the applicant;
  - (C) The email address and website address of the applicant;
  - (D) The county in which the applicant is located;
  - (E) The kind of seed that the labeler sells;
  - (F) Each Ohio location where seed to be labeled by the applicant may be sampled;
  - (G) The original signature of the applicant. If the applicant is a business entity, then the application shall contain the original signature of the responsible person submitting the application on behalf of the applicant;
  - (H) If the applicant is a business entity, the information required under paragraphs (A)(1) to (A)(4) of this rule for the responsible person submitting the application on behalf of the applicant.
-
