

Ohio Administrative Code Rule 901:5-56-04 Regulated area.

Effective: October 3, 2024

The areas listed in this rule are declared to be regulated areas where a spotted lanternfly infestation is known to exist at a level which poses a risk of spreading the pest to non-infested areas of Ohio and other states.

(A) The following states or portions of states infested with the spotted lanternfly as listed here: Pennsylvania, New York, Connecticut, New Jersey, Maryland, Virginia, West Virginia, Delaware, Ohio, Illinois, Indiana, Kentucky, Tennessee, North Carolina, Massachusetts, Michigan and Rhode Island.

(B) A list of regulated areas may be found at the Ohio department of agriculture's website: www.agri.ohio.gov. Inclusion on the list published at the Ohio department of agriculture's website is considered as written notice in accordance with division (B) of section 927.71 of the Revised Code.
