

Ohio Administrative Code

Rule 901:5-56-06 Inspection and disposition of shipments.

Effective: October 3, 2024

(A) The department may stop and inspect, in a reasonable manner, any container, conveyance, package, or vehicle reasonably believed to contain a regulated article.

(B) When a regulated article has been moved into the state of Ohio in violation of this rule, an inspector may take action as authorized by the director to mitigate the risk of introduction or spread of the spotted lanternfly.

(C) If a regulated article is found to be infested with or harboring spotted lanternfly, such regulated article must be rendered free of infestation without cost to the state of Ohio.
