

## Ohio Administrative Code Rule 901:5-7-10 Labeling bulk storage.

Effective: April 19, 2024

---

(A) No person shall transport, distribute, or store bulk feed and feed ingredients unless the product(s) are labeled with the requirements in section 923.43 of the Revised Code.

(B) All purchasers of bulk commercial feed and all transport vehicles of bulk commercial feed shall be provided a label as described in paragraph (A) of this rule.
