

Ohio Administrative Code

Rule 901:9-1-10 Plan approval and inter-agency cooperation for aquatic devices.

Effective: December 9, 2021

No person shall construct, install, or perform major modifications on an aquatic device until such plans for the aquatic device are approved by the local building authority or any other regulatory authority having jurisdiction and certified by a professional engineer registered in Ohio or an architect licensed in Ohio. Recognizing the unique nature of aquatic devices, the director of agriculture may consult with the director of health prior to authorization of construction of any new aquatic device, or major modifications of existing aquatic devices licensed by the department of agriculture. In addition, the director may consult with the director of health on any issues involving operation or maintenance of aquatic devices.
