

## Ohio Administrative Code

### Rule 901:9-2-16 Electronic amusement games.

Effective: [March 21, 2024](#)

---

Electronic amusement games shall be subject to the following:

- (A) The department has the authority to seal or require to be sealed the electronic amusement game's timers, motor controls or any other devices of the game which the department feels should be sealed to protect the integrity of the game. Any unauthorized tampering with such seals is prohibited.
  
  - (B) The owner of any electronic amusement game will possess the manufacturer's schematics, manuals, and any applicable modifications or alterations recommended by the manufacturer to the electronic amusement game at the place of play at all times.
  
  - (C) The operator will replace a patron's money due to mechanical failure of the machine.
-
