

## Ohio Administrative Code

### Rule 901:9-2-21 Crazy bike.

Effective: April 6, 2009

---

(A) There must be a marked start and finish line. The front wheel of the bike must be behind the starting line. Patrons are to hold the handle bars and ride the bike with all wheels on the ground.

(B) The rear wheel must cross the finish line for the patron to win. The game is over and the patron loses when any body part has contact with the ground after the starting line and before the rear wheel crosses the finish line.
