

**3358: 14-1-12 Emeritus status.**

- (A) Emerita/emeritus status is an honorary title awarded for distinguished service to the academic community. There is a long tradition in academia in recognizing such service by trustees, administration, and faculty. The board of trustees shall bestow the title on a faculty member or administrator who is entering permanent retirement from Northwest state community college and who has served the college, community, and profession with distinction. It is expected that emerita/emeritus status will be granted to faculty members and administrators who have contributed continuously throughout their career and have a distinguished professional record.
- (B) All faculty and administrators meeting the selection criteria shall be eligible for the honorary title of emeritus. The honorary title is granted in recognition of exemplary service and dedication to the college, its community and profession. The college, the community it serves and their profession. The status is not automatically conferred as it is an honor that must be earned. Not all retirees will be nominated or qualify for such an honor.
- (C) Any faculty or administrators who are deceased at the time of implementation of the policy may be posthumously nominated and so designated. However, college publications will only list those still living unless so directed by the trustees.
- (D) The emeritus status is granted at the pleasure of the board of trustees and may be withdrawn by action of the board for failure to meet the responsibilities associated with that honor.
