

**3358: 14-5-04 Advisory council.**

- (A) Program advisory committees provide advice, information, guidance, and evaluation in establishing and operating occupational and technical programs. The committee members contribute by effectively maintaining high standards of education and training to students leading to employment opportunities. Advisory committee members also act to inform community stakeholders about college activities.
- (B) The role of the advisory committee is to provide consultation and information on the needs of the industry, potential employers, and the general public. It provides a dialog between the college and the community which is essential to all educational programs. It does not have legislative nor administrative authority; its function is to give advice.
- (C) The vice president for academics and student services will adopt procedures for appointment to advisory committees.
- (D) One of the strengths of applied education programs is the use of community leaders on advisory committees. Members serving on advisory committees of Northwest state community college should represent the best resource persons in the area.
