(B)(1) A taxpayer, partnership, or S corporation that has been issued, under section 3746.12 of the Revised Code, a covenant not to sue for a site by the director of environmental protection during the qualifying period may apply to the director of development, in the manner prescribed by the director, to enter into an agreement under which the applicant agrees to economically redevelop the site in a manner that will create employment opportunities and a credit will be granted to the applicant

against the tax imposed by section 5733.06 or 5747.02 of the Revised Code. The application shall state the eligible costs associated with a voluntary action incurred by the applicant. The application shall be accompanied by proof, in a form prescribed by the director of development, that the covenant not to sue has been issued.

The applicant shall request the certified professional that submitted the no further action letter for the eligible site under section 3746.11 of the Revised Code to submit an affidavit to the director of development verifying the eligible costs associated with the voluntary action at that site.

The director shall review the applications in the order they are received. If the director determines that the applicant meets the requirements of this section, the director may enter into an agreement granting a credit against the tax imposed by section 5733.06 or 5747.02 of the Revised Code. In making the determination, the director may consider the extent to which political subdivisions and other units of government will cooperate with the applicant to redevelop the eligible site. The agreement shall state the amount of the tax credit and the reporting requirements described in division (F) of this section.

(2) The maximum annual amount of credits the director of development may grant under such agreements shall be as follows:

1996	\$5,000,000
1997	\$10,000,000
1998	\$10,000,000
1999	\$5,000,000

For any year in which the director of development does not grant tax credits under this section equal to the maximum annual amount, the amount not granted for that year shall be added to the maximum annual amount that may be granted for the following year. However, the director shall not grant any tax credits under this section after June 30, 1999.

(C)(1) If the covenant not to sue was issued in connection with a site that is not located in an eligible area, the credit amount is equal to the lesser of five hundred thousand dollars or ten per cent of the eligible costs associated with a voluntary action incurred by the taxpayer, partnership, or S

corporation.

(2) If a covenant not to sue was issued in connection with a site that is located in an eligible area, the credit amount is equal to the lesser of seven hundred fifty thousand dollars or fifteen per cent of the eligible costs associated with a voluntary action incurred by the taxpayer, partnership, or S corporation.

(3) A taxpayer, partnership, or S corporation that has been issued covenants not to sue under section 3746.12 of the Revised Code for more than one site may apply to the director of development to enter into more than one agreement granting a credit against the tax imposed by section 5733.06 or 5747.02 of the Revised Code.

(4) For each year for which a taxpayer, partnership, or S corporation has been granted a credit under an agreement entered into under this section, the director of development shall issue a certificate to the taxpayer, partnership, or S corporation indicating the amount of the credit the taxpayer, the partners of the partnership, or the shareholders of the S corporation may claim for that year, not including any amount that may be carried forward from previous years under section 5733.34 of the Revised Code.

(D)(1) Each agreement entered into under this section shall incorporate a commitment by the taxpayer, partnership, or S corporation not to permit the use of an eligible site to cause the relocation of employment positions to that site from elsewhere in this state, except as otherwise provided in division (D)(2) of this section. The commitment shall be binding on the taxpayer, partnership, or S corporation for the lesser of five years from the date the agreement is entered into or the number of years the taxpayer, partnership, or S corporation is entitled to claim the tax credit under the agreement.

(2) An eligible site may be the site of employment positions relocated from elsewhere in this state if the director of development determines both of the following:

(a) That the site from which the employment positions would be relocated is inadequate to meet market and industry conditions, expansion plans, consolidation plans, or other business considerations affecting the relocating employer;

(b) That the governing body of the county, township, or municipal corporation from which the employment positions would be relocated has been notified of the possible relocation.

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position, but the transfer of an individual employee from one political subdivision to another political subdivision shall not be considered a relocation of an employment position as long as the individual's employment position in the first political subdivision is refilled.

(E) A taxpayer, partnership, or S corporation that has entered into an agreement granting a credit against the tax imposed by section 5733.06 or 5747.02 of the Revised Code that subsequently recovers in a lawsuit or settlement of a lawsuit at least seventy-five per cent of the eligible costs associated with a voluntary action shall not claim any credit amount remaining, including any amounts carried forward from prior years, beginning with the taxable year in which the judgment in the lawsuit is entered or the settlement is finally agreed to.

Any amount of credit that a taxpayer, partnership, or S corporation may not claim by reason of this division shall not be considered to have been granted for the purpose of determining the total amount of credits that may be issued under division (B)(2) of this section.

(F) Each year for which a taxpayer, partnership, or S corporation claims a credit under section 5733.34 of the Revised Code, the taxpayer, partnership, or S corporation shall report the following to the director of development:

(1) The status of all cost recovery litigation described in division (E) of this section to which it was a party during the previous year;

(2) Confirmation that the covenant not to sue has not been revoked or has not been voided;

(3) Confirmation that the taxpayer, partnership, or S corporation has not permitted the eligible site to be used in such a manner as to cause the relocation of employment positions from elsewhere in this state in violation of the commitment required under division (D) of this section;

(4) Any other information the director of development requires to perform the director's duties under this section.

(G) The director of development shall annually certify, by the first day of January of each year during the qualifying period, the eligible areas for the calendar year that includes that first day of January.

(H) The director of development, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section, including rules prescribing forms required for administering this section.
