### Section 122.86 Small business investment certificate; tax credit.

Effective: September 17, 2014

Legislation: House Bill 492 - 130th General Assembly

---

(A) As used in this section and section 5747.81 of the Revised Code:

(1) "Small business enterprise" means a corporation, pass-through entity, or other person satisfying all of the following:

(a) At the time of a qualifying investment, the enterprise meets all of the following requirements:

(i) Has no outstanding tax or other liabilities owed to the state;

(ii) Is in good standing with the secretary of state, if the enterprise is required to be registered with the secretary;

(iii) Is current with any court-ordered payments;

(iv) Is not engaged in any illegal activity.

(b) At the time of a qualifying investment, the enterprise's assets according to generally accepted accounting principles do not exceed fifty million dollars, or its annual sales do not exceed ten million dollars. When making this determination, the assets and annual sales of all of the enterprise's related or affiliated entities shall be included in the calculation.

(c) The enterprise employs at least fifty full-time equivalent employees in this state for whom the enterprise is required to withhold income tax under section 5747.06 of the Revised Code, or more than one-half the enterprise's total number of full-time equivalent employees employed anywhere in the United States are employed in this state and are subject to that withholding requirement.

(d) The enterprise, within six months after an eligible investor's qualifying investment is made, invests in or incurs cost for one or more of the following in an amount at least equal to the amount

of the qualifying investment:

(i) Tangible personal property, other than motor vehicles operated on public roads and highways, used in business and physically located in this state from the time of its acquisition by the enterprise until the end of the investor's holding period;

(ii) Motor vehicles operated on public roads and highways if, from the time of acquisition by the enterprise until the end of the investor's holding period, the motor vehicles are purchased in this state, registered in this state under Chapter 4503. of the Revised Code, are used primarily for business purposes, and are necessary for the operation of the enterprise's business;

(iii) Real property located in this state that is used in business from the time of its acquisition by the enterprise until the end of the holding period;

(iv) Intangible personal property, including patents, copyrights, trademarks, service marks, or licenses used in business primarily in this state from the time of its acquisition by the enterprise until the end of the holding period;

(v) Compensation for new employees of the enterprise for whom the enterprise is required to withhold income tax under section 5747.06 of the Revised Code, not including increased compensation for owners, officers, or managers of the enterprise. For this purpose compensation for new employees includes compensation for newly hired or retained employees.

(2) "Qualifying investment" means an investment of money made on or after July 1, 2011, to acquire capital stock or other equity interest in a small business enterprise. "Qualifying investment" does not include either of the following:

(a) Any investment of money an eligible investor derives, directly or indirectly, from a grant or loan from the federal government or the state or a political subdivision, including the third frontier program under Chapter 184. of the Revised Code;

(b) Any investment of money which is the basis of a tax credit granted under any other section of the Revised Code.

(3) "Eligible investor" means an individual, estate, or trust subject to the tax imposed by section 5747.02 of the Revised Code, or a pass-through entity in which such an individual, estate, or trust holds a direct or indirect ownership or other equity interest. To qualify as an eligible investor, the individual, estate, trust, or pass-through entity shall not owe any outstanding tax or other liability to the state at the time of a qualifying investment.

(4) "Holding period" means the two-year period beginning on the day a qualifying investment is made.

(5) "Pass-through entity" has the same meaning as in section 5733.04 of the Revised Code.

(B) Any eligible investor that makes a qualifying investment in a small business enterprise on or after July 1, 2011, may apply to the director of development services to obtain a small business investment certificate from the director. Alternatively, a small business enterprise may apply on behalf of eligible investors to obtain the certificates for those investors. The director, in consultation with the tax commissioner, shall prescribe the form or manner in which an applicant shall apply for the certificate, devise the form of the certificate, and prescribe any records or other information an applicant shall furnish with the application to evidence the qualifying investment. The applicant shall state the amount of the intended investment. The applicant shall pay an application fee equal to the greater of one-tenth of one per cent of the amount of the intended investment or one hundred dollars.

A small business investment certificate entitles the certificate holder to receive a tax credit under section 5747.81 of the Revised Code if the certificate holder qualifies for the credit as otherwise provided in this section. If the certificate holder is a pass-through entity, the certificate entitles the entity's equity owners to receive their distributive or proportionate shares of the credit. In any fiscal biennium, an eligible investor may not apply for small business investment certificates representing intended investment amounts in excess of ten million dollars. Such certificates are not transferable.

The director of development services may reserve small business investment certificates to qualifying applicants in the order in which the director receives applications, but may issue the certificates as the applications are completed. An application is completed when the director has

validated that an eligible investor has made a qualified investment and the small business enterprise has made the appropriate reinvestment of the qualified investment pursuant to the requirements of division (A)(1)(d) of this section. To qualify for a certificate, an eligible investor must satisfy both of the following, subject to the limitation on the amount of qualifying investments for which certificates may be issued under division (C) of this section:

(1) The eligible investor makes a qualifying investment on or after July 1, 2011.

(2) The eligible investor pledges not to sell or otherwise dispose of the qualifying investment before the conclusion of the applicable holding period.

(C)(1) The amount of any eligible investor's qualifying investments for which small business investment certificates may be issued for a fiscal biennium shall not exceed ten million dollars.

(2) The director of development services shall not issue a small business investment certificate to an eligible investor representing an amount of qualifying investment in excess of the amount of the intended investment indicated on the investor's application for the certificate.

(3) The director of development services shall not issue small business investment certificates in a total amount that would cause the tax credits claimed in any fiscal biennium to exceed one hundred million dollars.

(4) The director of development services may issue a small business investment certificate only if both of the following apply at the time of issuance:

(a) The small business enterprise meets all the requirements listed in divisions (A)(1)(a)(i) to (iv) of this section;

(b) The eligible investor does not owe any outstanding tax or other liability to the state.

(D) Before the end of the applicable holding period of a qualifying investment, each enterprise in which a qualifying investment was made for which a small business investment certificate has been issued, upon the request of the director of development services, shall provide to the director records

or other evidence satisfactory to the director that the enterprise is a small business enterprise for the purposes of this section. Each enterprise shall also provide annually to the director records or evidence regarding the number of jobs created or retained in the state. No credit may be claimed under this section and section 5747.81 of the Revised Code if the director finds that an enterprise is not a small business enterprise for the purposes of this section. The director shall compile and maintain a register of small business enterprises qualifying under this section and shall certify the register to the tax commissioner. The director shall also compile and maintain a record of the number of jobs created or retained as a result of qualifying investments made pursuant to this section.

(E) After the conclusion of the applicable holding period for a qualifying investment, a person to whom a small business investment certificate has been issued under this section may claim a credit as provided under section 5747.81 of the Revised Code.

(F) The director of development services, in consultation with the tax commissioner, may adopt rules for the administration of this section, including rules governing the following:

(1) Documents, records, or other information eligible investors shall provide to the director;

(2) Any information a small business enterprise shall provide for the purposes of this section and section 5747.81 of the Revised Code;

(3) Determination of the number of full-time equivalent employees of a small business enterprise;

(4) Verification of a small business enterprise's investment in tangible personal property and intangible personal property under division (A)(1)(d) of this section, including when such investments have been made and where the property is used in business;

(5) Circumstances under which small business enterprises or eligible investors may be subverting the purposes of this section and section 5747.81 of the Revised Code.

There is hereby created in the state treasury the InvestOhio support fund. The fund shall consist of the fees paid under division (B) of this section and shall be used by the development services
