(1) The public depository, on or after the date the public moneys are received, arranges for the redeposit of the moneys into deposit accounts in one or more federally insured banks, savings banks, or savings and loan associations that are located in the United States, and acts as custodian of the moneys deposited or redeposited under this section.

(5) The public depository provides to the investing authority an account statement at least monthly and access to daily reporting that include the amount of its funds deposited and held at each bank, savings bank, or savings and loan association for which the public depository acts as a custodian pursuant to this section.

(B) Except as provided in division (A)(2) of this section, public moneys deposited in accordance with this section are not subject to the pledging requirements described in section 135.181 or 135.37 of the Revised Code.
