

Ohio Revised Code Section 167.05 Employing personnel.

Effective: November 17, 1967

Legislation: Senate Bill 266 - 107th General Assembly

The council may employ such staff and contract for the services of such consultants and experts, and may purchase or lease or otherwise provide for such supplies, materials, equipment, and facilities as it deems necessary and appropriate in the manner and under procedures established in the by-laws of the council.
