

Ohio Revised Code

Section 191.10 [Repealed effective 10/17/2019 by H.B. 166, 133rd General Assembly] Identification of best practices.

Effective: April 6, 2017

Legislation: Senate Bill 332 - 131st General Assembly

The executive director of the office of health transformation, in consultation with the director of health, shall identify best practices pertaining to family planning options, strategies for reducing poor pregnancy outcomes, health professional instruction on cultural competency, addressing social determinants of health, and health and wellness activities. The executive director may seek assistance from health care providers, health professional trade associations, medical schools, nursing schools, and other health profession educational programs in completing this task. The executive director shall then inform all health care providers, health professional trade associations, medical schools, nursing schools, and other health profession educational programs in this state of the identified best practices and encourage them to incorporate those practices in their professional practices, curricula, and continuing education programs.
