

## Ohio Revised Code

### Section 1109.39 Additional stock investments.

Effective: January 1, 1997

Legislation: House Bill 538 - 121st General Assembly

---

In addition to the specific investments authorized in this chapter, a bank may also invest, in the aggregate, no more than ten per cent of its assets in the common or preferred stock, obligations, or other securities of any corporations, as authorized by the bank's board of directors.
