

Ohio Revised Code

Section 1545.21 Tax levy for use of district - submission to electors - bonds.

Effective: September 6, 2012

Legislation: House Bill 508 - 129th General Assembly

The board of park commissioners, by resolution, may submit to the electors of the park district the question of levying taxes for the use of the district. The resolution shall declare the necessity of levying such taxes, shall specify the purpose for which such taxes shall be used, the annual rate proposed, and the number of consecutive years the rate shall be levied. Such resolution shall be forthwith certified to the board of elections in each county in which any part of such district is located, not later than the ninetieth day before the day of the election, and the question of the levy of taxes as provided in such resolution shall be submitted to the electors of the district at a special election to be held on whichever of the following occurs first:

(A) The day of the next general election;

(B) The first Tuesday after the first Monday in May in any calendar year, except that if a presidential primary election is held in that calendar year, then the day of that election. The ballot shall set forth the purpose for which the taxes shall be levied, the annual rate of levy, and the number of years of such levy. If the tax is to be placed on the current tax list, the form of the ballot shall state that the tax will be levied in the current tax year and shall indicate the first calendar year the tax will be due. If the resolution of the board of park commissioners provides that an existing levy will be canceled upon the passage of the new levy, the ballot may include a statement that: "an existing levy of ___ mills (stating the original levy millage), having ___ years remaining, will be canceled and replaced upon the passage of this levy." In such case, the ballot may refer to the new levy as a "replacement levy" if the new millage does not exceed the original millage of the levy being canceled or as a "replacement and additional levy" if the new millage exceeds the original millage of the levy being canceled. If a majority of the electors voting upon the question of such levy vote in favor thereof, such taxes shall be levied and shall be in addition to the taxes authorized by section 1545.20 of the Revised Code, and all other taxes authorized by law. The rate submitted to the electors at any one time shall not exceed two mills annually upon each dollar of valuation unless the purpose of the levy includes providing operating revenues for one of Ohio's major metropolitan zoos, as defined in section 4503.74 of the Revised Code, in which case the rate shall

not exceed three mills annually upon each dollar of valuation. When a tax levy has been authorized as provided in this section or in section 1545.041 of the Revised Code, the board of park commissioners may issue bonds pursuant to section 133.24 of the Revised Code in anticipation of the collection of such levy, provided that such bonds shall be issued only for the purpose of acquiring and improving lands. Such levy, when collected, shall be applied in payment of the bonds so issued and the interest thereon. The amount of bonds so issued and outstanding at any time shall not exceed one per cent of the total tax valuation in such district. Such bonds shall bear interest at a rate not to exceed the rate determined as provided in section 9.95 of the Revised Code.
