(A) The division of securities may consider and conduct hearings upon any plan of reorganization, recapitalization, or refinancing of a corporation organized under the laws of this state, or having its principal place of business within this state, when such plan is proposed by such corporation or by any of its shareholders or creditors and contains a proposal to issue securities in exchange for one or more bona fide outstanding securities, claims, or property interests, or partly in such exchange or partly for cash. The division may also approve the terms of such issuance and exchange and the fairness of such terms, after a hearing upon such fairness at which all persons to whom it is proposed to issue securities in such exchange have the right to appear, if application for such a hearing is made by such corporation, by the holders of a majority in amount of its debts, or by the holders of a majority in amount of any outstanding class of securities issued by it. Notice in person or by mail of the time and place of such hearing shall be given to all persons to whom it is proposed to issue such securities, and evidence satisfactory to the division that such notice has been given shall be filed with the division.
