

Ohio Revised Code

Section 2327.01 Execution defined.

Effective: September 11, 2008

Legislation: House Bill 138 - 127th General Assembly

An execution is a process of a court, issued by its clerk, the court itself, or the county board of revision with jurisdiction pursuant to section 323.66 of the Revised Code, and directed to the sheriff of the county. Executions may be issued to the sheriffs of different counties at the same time.
