(A) Executions are of three kinds:

(1) Against the property of the judgment debtor, including orders of sale or orders to transfer property pursuant to sections 323.28, 323.65 to 323.78, and 5721.19 of the Revised Code;

(2) Against the person of the judgment debtor;

(3) For the delivery of the possession of real property, including real property sold under orders of sale or transferred under orders to transfer property pursuant to sections 323.28, 323.65 to 323.78, and 5721.19 of the Revised Code.

(B) The writ shall contain a specific description of the property, and a command to the sheriff or private selling officer to deliver it to the person entitled to the property. It also may require the sheriff to make the damages recovered for withholding the possession and costs, or costs alone, out of the property of the person who so withholds it.

(C) In the case of foreclosures of real property, including foreclosures for taxes, mortgages, judgment liens, and other valid liens, the description of the property, the order of sale, order to transfer, and any deed or deed forms may be prepared, adopted, and otherwise approved in advance by the court having jurisdiction or the county board of revision with jurisdiction pursuant to section 323.66 of the Revised Code, directly commanding the sheriff or the private selling officer to sell, convey, or deliver possession of the property as commanded in that order. In those cases, the clerk shall journalize the order and deliver that writ or order to the sheriff or private selling officer for execution. If the property is sold under an order of sale or transferred under an order to transfer, the officer who conducted the sale or made the transfer of the property shall collect the recording fee and any associated costs to cover the recording from the purchaser or transferee at the time of the sale or transfer and, following confirmation of the sale or transfer and the payment of the balance due on the purchase price of the property, shall execute and record the deed conveying title to the property to
