

## Ohio Revised Code

### Section 2329.45 Reversal of judgment.

Effective: September 28, 2016

Legislation: House Bill 390 - 131st General Assembly

---

If a judgment in satisfaction of which lands or tenements are sold is reversed on appeal, such reversal shall not defeat or affect the title of the purchaser. In such case restitution in an amount equal to the money for which such lands or tenements were sold, with interest from the day of sale, must be made by the judgment creditor. In ordering restitution, the court shall take into consideration all persons who lost an interest in the property by reason of the judgment and sale and the order of the priority of those interests.
