Effective: March 22, 2019

Legislation: Senate Bill 145, Senate Bill 201 - 132nd General Assembly

(A)(1) Except as provided in division (C) of this section and subject to the maximum aggregate total specified in division (A)(3) of this section, a person confined in a state correctional institution or placed in the substance use disorder treatment program may provisionally earn one day or five days of credit, based on the category set forth in division (D)(1), (2), (3), (4), or (5) of this section in which the person is included, toward satisfaction of the person's stated prison term, as described in division (F) of this section, for each completed month during which the person, if confined in a state correctional institution, productively participates in an education program, vocational training, employment in prison industries, treatment for substance abuse, or any other constructive program developed by the department with specific standards for performance by prisoners or during which the person, if placed in the substance use disorder treatment program, productively participates in the program. Except as provided in division (C) of this section and subject to the maximum aggregate total specified in division (A)(3) of this section, a person so confined in a state correctional institution who successfully completes two programs or activities of that type may, in addition, provisionally earn up to five days of credit toward satisfaction of the person's stated prison term, as described in division (F) of this section, for the successful completion of the second program or activity. The person shall not be awarded any provisional days of credit for the successful completion of the first program or activity or for the successful completion of any program or activity that is completed after the second program or activity. At the end of each calendar month in which a person productively participates in a program or activity listed in this division or successfully completes a program or activity listed in this division, the department of rehabilitation and correction shall determine and record the total number of days credit that the person provisionally earned in that calendar month. If the person in a state correctional institution violates prison rules or the person in the substance use disorder treatment program violates program or department rules, the department may deny the person a credit that otherwise could have been provisionally awarded to the person or may withdraw one or more credits previously provisionally earned by the person. Days of credit provisionally earned by a person shall be finalized and awarded by the department subject to administrative review by the department of the person's conduct.

(2) Unless a person is serving a mandatory prison term or a prison term for an offense of violence or a sexually oriented offense, and notwithstanding the maximum aggregate total specified in division (A)(3) of this section, a person who successfully completes any of the following shall earn ninety days of credit toward satisfaction of the person's stated prison term or a ten per cent reduction of the person's stated prison term, whichever is less:

- (a) An Ohio high school diploma or Ohio certificate of high school equivalence certified by the Ohio central school system;
- (b) A therapeutic drug community program;
- (c) All three phases of the department of rehabilitation and correction's intensive outpatient drug treatment program;
- (d) A career technical vocational school program;
- (e) A college certification program;
- (f) The criteria for a certificate of achievement and employability as specified in division (A)(1) of section 2961.22 of the Revised Code.

(3) Except for persons described in division (A)(2) of this section, the aggregate days of credit provisionally earned by a person for program or activity participation and program and activity completion under this section and the aggregate days of credit finally credited to a person under this section shall not exceed eight per cent of the total number of days in the person's stated prison term.

(B) The department of rehabilitation and correction shall adopt rules that specify the programs or activities for which credit may be earned under this section, the criteria for determining productive participation in, or completion of, the programs or activities and the criteria for awarding credit, including criteria for awarding additional credit for successful program or activity completion, and the criteria for denying or withdrawing previously provisionally earned credit as a result of a violation of prison rules, or program or department rules, whichever is applicable.

(C) No person confined in a state correctional institution or placed in a substance use disorder treatment program to whom any of the following applies shall be awarded any days of credit under division (A) of this section:

(1) The person is serving a prison term that section 2929.13 or section 2929.14 of the Revised Code specifies cannot be reduced pursuant to this section or this chapter or is serving a sentence for which section 2967.13 or division (B) of section 2929.143 of the Revised Code specifies that the person is not entitled to any earned credit under this section.

(2) The person is sentenced to death or is serving a prison term or a term of life imprisonment for aggravated murder, murder, or a conspiracy or attempt to commit, or complicity in committing, aggravated murder or murder.

(3) The person is serving a sentence of life imprisonment without parole imposed pursuant to section 2929.03 or 2929.06 of the Revised Code, a prison term or a term of life imprisonment without parole imposed pursuant to section 2971.03 of the Revised Code, or a sentence for a sexually oriented offense that was committed on or after September 30, 2011.

(D) This division does not apply to a determination of whether a person confined in a state correctional institution or placed in a substance use disorder treatment program may earn any days of credit under division (A) of this section for successful completion of a second program or activity.
