

Ohio Revised Code

Section 306.322 Additional provisions for joining additional counties, municipal corporations, or townships to the regional transit authority.

Effective: March 27, 2020

Legislation: House Bill 197

(A) For any regional transit authority that levies a property tax and that includes in its membership political subdivisions that are located in a county having a population of at least four hundred thousand according to the most recent federal census, the procedures of this section apply until November 5, 2013, and are in addition to and an alternative to those established in sections 306.32 and 306.321 of the Revised Code for joining to the regional transit authority additional counties, municipal corporations, or townships.

(B) Any municipal corporation or township may adopt a resolution or ordinance proposing to join a regional transit authority described in division (A) of this section. In its resolution or ordinance, the political subdivision may propose joining the regional transit authority for a limited period of three years or without a time limit.

(C) The political subdivision proposing to join the regional transit authority shall submit a copy of its resolution or ordinance to the legislative authority of each municipal corporation and the board of trustees of each township comprising the regional transit authority. Within thirty days of receiving the resolution or ordinance for inclusion in the regional transit authority, the legislative authority of each municipal corporation and the board of trustees of each township shall consider the question of whether to include the additional subdivision in the regional transit authority, shall adopt a resolution or ordinance approving or rejecting the inclusion of the additional subdivision, and shall present its resolution or ordinance to the board of trustees of the regional transit authority.

(D) If a majority of the political subdivisions comprising the regional transit authority approve the inclusion of the additional political subdivision, the board of trustees of the regional transit authority, not later than the tenth day following the day on which the last ordinance or resolution is presented, shall notify the subdivision proposing to join the regional transit authority that it may certify the proposal to the board of elections for the purpose of having the proposal placed on the ballot at the next general election or at a special election conducted on the day of the next primary election that

occurs not less than ninety days after the resolution or ordinance is certified to the board of elections.

(E) Upon certification of a proposal to the board of elections pursuant to this section, the board of elections shall make the necessary arrangements for the submission of the question to the electors of the territory to be included in the regional transit authority qualified to vote on the question, and the election shall be held, canvassed, and certified in the same manner as regular elections for the election of officers of the subdivision proposing to join the regional transit authority, except that, if the resolution proposed the inclusion without a time limitation the question appearing on the ballot shall read:

"Shall the territory within the _____ (Name or names of political subdivisions to be joined) be added to _____ (Name) regional transit authority?" and shall a(n) _____ (here insert type of tax or taxes) at a rate of taxation not to exceed _____ (here insert maximum tax rate or rates) be levied for all transit purposes?"

If the resolution proposed the inclusion with a three-year time limitation, the question appearing on the ballot shall read:

"Shall the territory within the _____ (Name or names of political subdivisions to be joined) be added to _____ (Name) regional transit authority?" for three years and shall a(n) _____ (here insert type of tax or taxes) at a rate of taxation not to exceed _____ (here insert maximum tax rate or rates) be levied for all transit purposes for three years?"

(F) If the question is approved by at least a majority of the electors voting on the question, the addition of the new territory is effective six months from the date of the certification of its passage, and the regional transit authority may extend the levy of the tax against all the taxable property within the territory that was added. If the question is approved at a general election or at a special election occurring prior to the general election but after the fifteenth day of July, the regional transit authority may amend its budget and resolution adopted pursuant to section 5705.34 of the Revised Code, and the levy shall be placed on the current tax list and duplicate and collected as other taxes are collected from all taxable property within the territorial boundaries of the regional transit authority, including the territory within the political subdivision added as a result of the election. If

the budget of the regional transit authority is amended pursuant to this paragraph, the county auditor shall prepare and deliver an amended certificate of estimated resources to reflect the change in anticipated revenues of the regional transit authority.

(G) If the question is approved by at least a majority of the electors voting on the question, the board of trustees of the regional transit authority immediately shall amend the resolution or ordinance creating the regional transit authority to include the additional political subdivision.

(H) If the question approved by a majority of the electors voting on the question added the subdivision for three years, the territory of the additional municipal corporation or township in the regional transit authority shall be removed from the territory of the regional transit authority three years after the date the territory was added, as determined in the effective date of the election, and shall no longer be a part of that authority without any further action by either the political subdivisions that were included in the authority prior to submitting the question to the electors or of the political subdivision added to the authority as a result of the election. The regional transit authority reduced to its territory as it existed prior to the inclusion of the additional municipal corporation or township shall be entitled to levy and collect any property taxes that it was authorized to levy and collect prior to the enlargement of its territory and for which authorization has not expired, as if the enlargement had not occurred.
