

Ohio Revised Code

Section 307.04 Light, heat, and power contracts.

Effective: October 27, 1981

Legislation: Senate Bill 114 - 114th General Assembly

The board of county commissioners may, at any time before or after the completion of any county building, award contracts for supplying such building with light, heat, or power for any period of time not exceeding ten years. Sections 5705.41 and 5705.44 of the Revised Code shall not apply to any such contracts.
