

Ohio Revised Code

Section 319.16 Issuing and recording warrants.

Effective: October 6, 2009

Legislation: Senate Bill 79 - 128th General Assembly

The county auditor shall issue warrants, including electronic warrants authorizing direct deposit for payment of county obligations in accordance with division (F) of section 9.37 of the Revised Code, on the county treasurer for all moneys payable from the county treasury, upon presentation of the proper order or voucher and evidentiary matter for the moneys, and keep a record of all such warrants showing the number, date of issue, amount for which drawn, in whose favor, for what purpose, and on what fund. The auditor shall not issue a warrant for the payment of any claim against the county, unless it is allowed by the board of county commissioners, except where the amount due is fixed by law or is allowed by an officer or tribunal, including a county board of mental health or county board of developmental disabilities, so authorized by law. If the auditor questions the validity of an expenditure that is within available appropriations and for which a proper order or voucher and evidentiary matter is presented, the auditor shall notify the board, officer, or tribunal who presented the voucher. If the board, officer, or tribunal determines that the expenditure is valid and the auditor continues to refuse to issue the appropriate warrant on the county treasury, a writ of mandamus may be sought. The court shall issue a writ of mandamus for issuance of the warrant if the court determines that the claim is valid.

Evidentiary matter includes original invoices, receipts, bills and checks, and legible copies of contracts.
