

Ohio Revised Code

Section 339.05 Adopting bidding procedures and purchasing policies for services, supplies and equipment.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

(A) A board of county hospital trustees may adopt, annually, bidding procedures and purchasing or leasing policies provided through a joint purchasing arrangement sponsored by a nonprofit organization, for services, supplies, and equipment, that are routinely used in the operation of the hospital and that cost in excess of the amount specified in section 307.86 of the Revised Code as the amount above which purchases must be competitively bid. If a board of county hospital trustees adopts those policies and procedures, and if the board of county commissioners approves them, the board of county hospital trustees may follow those policies and procedures in lieu of following the competitive bidding procedures of sections 307.86 to 307.92 of the Revised Code.

- (1) The estimated cost is less than one hundred thousand dollars.
- (2) There is actual physical damage to structures or equipment.

The board shall enter the determination of emergency and the reasons for it in the minutes of its proceedings.

For purposes of this section, a vote is unanimous if all members of a board of county hospital trustees are present, or a lesser number of members of the board if not all members are present, provided that the number of members present constitutes a quorum.

Whenever a contract of purchase, lease, or construction is exempted from competitive bidding because the estimated cost is less than one hundred thousand dollars, but the estimated cost is fifty
