

Ohio Revised Code

Section 3107.17 Closed hearing - confidentiality - records.

Effective: January 1, 2025

Legislation: House Bill 33

(A) All hearings held under sections 3107.01 to 3107.19 of the Revised Code shall be held in closed court without the admittance of any person other than essential officers of the court, the parties, the witnesses of the parties, counsel, persons who have not previously consented to an adoption but who are required to consent, and representatives of the agencies present to perform their official duties.

(B)(1) Except as provided in divisions (B)(2) and (D) of this section, sections 3107.38 and 3107.381, and sections 3107.60 to 3107.68 of the Revised Code, no person or governmental entity shall knowingly reveal any information contained in a paper, book, or record pertaining to an adoption that is part of the permanent record of a court or maintained by the department of children and youth, an agency, or attorney without the consent of a court.

(2) An agency or attorney may examine the agency's or attorney's own papers, books, and records pertaining to an adoption without a court's consent for official administrative purposes. The department of children and youth may examine its own papers, books, and records pertaining to an adoption, or such papers, books, and records of an agency, without a court's consent for official administrative, certification, and eligibility determination purposes.

(C) The petition, the interlocutory order, the final decree of adoption, and other adoption proceedings shall be recorded in a book kept for such purposes and shall be separately indexed. The book shall be a part of the records of the court, and all consents, affidavits, and other papers shall be properly filed.

(D) All forms that pertain to the social or medical histories of the biological parents of an adopted person and that were completed pursuant to section 3107.09, 3107.091, or 3107.393 of the Revised Code shall be filed only in the permanent record kept by the court. During the minority of the adopted person, only the adoptive parents of the person may inspect the forms. When an adopted person reaches majority, only the adopted person may inspect the forms. Under the circumstances described in this division, an adopted person or the adoptive parents are entitled to inspect the forms

upon requesting the clerk of the court to produce them.

(E)(1) The department of children and youth shall prescribe a form that permits any person who is authorized by division (D) of this section to inspect forms that pertain to the social or medical histories of the biological parents and that were completed pursuant to section 3107.09, 3107.091, or 3107.393 of the Revised Code to request notice if any correction or expansion of either such history, made pursuant to division (D) of section 3107.09 of the Revised Code, is made a part of the permanent record kept by the court. The form shall be designed to facilitate the provision of the information and statements described in division (E)(3) of this section. The department shall provide copies of the form to each court. A court shall provide a copy of the request form to each adoptive parent when a final decree of adoption is entered and shall explain to each adoptive parent at that time that an adoptive parent who completes and files the form will be notified of any correction or expansion of either the social or medical history of the biological parents of the adopted person made during the minority of the adopted person that is made a part of the permanent record kept by the court, and that, during the adopted person's minority, the adopted person may inspect the forms that pertain to those histories. Upon request, the court also shall provide a copy of the request form to any adoptive parent during the minority of the adopted person and to an adopted person who has reached the age of majority.

(2) Any person who is authorized to inspect forms pursuant to division (D) of this section who wishes to be notified of corrections or expansions pursuant to division (D) of section 3107.09 of the Revised Code that are made a part of the permanent record kept by the court shall file with the court, on a copy of the form prescribed by the department of children and youth pursuant to division (E)(1) of this section, a request for such notification that contains the information and statements required by division (E)(3) of this section. A request may be filed at any time if the person who files the request is authorized at that time to inspect forms that pertain to the social or medical histories.

(3) A request for notification as described in division (E)(2) of this section shall contain all of the following information:

- (a) The adopted person's name and mailing address at that time;
- (b) The name of each adoptive parent, and if the adoptive person is a minor at the time of the filing

of the request, the mailing address of each adoptive parent at that time;

(c) The adopted person's date of birth;

(d) The date of entry of the final decree of adoption;

(e) A statement requesting the court to notify the person who files the request, at the address provided in the request, if any correction or expansion of either the social or medical history of the biological parents is made a part of the permanent record kept by the court;

(f) A statement that the person who files the request is authorized, at the time of the filing, to inspect the forms that pertain to the social and medical histories of the biological parents;

(g) The signature of the person who files the request.

(4) Upon the filing of a request for notification in accordance with division (E)(2) of this section, the clerk of the court in which it is filed immediately shall insert the request in the permanent record of the case. A person who has filed the request and who wishes to update it with respect to a new mailing address may inform the court in writing of the new address. Upon its receipt, the court promptly shall insert the new address into the permanent record by attaching it to the request. Thereafter, any notification described in this division shall be sent to the new address.

(5) Whenever a social or medical history of a biological parent is corrected or expanded and the correction or expansion is made a part of the permanent record kept by the court, the court shall ascertain whether a request for notification has been filed in accordance with division (E)(2) of this section. If such a request has been filed, the court shall determine whether, at that time, the person who filed the request is authorized, under division (D) of this section, to inspect the forms that pertain to the social or medical history of the biological parents. If the court determines that the person who filed the request is so authorized, it immediately shall notify the person that the social or medical history has been corrected or expanded, that it has been made a part of the permanent record kept by the court, and that the forms that pertain to the records may be inspected in accordance with division (D) of this section.
