(E) An agency, attorney, person, or other governmental entity may classify any information described in division (B)(2) of section 3107.60 of the Revised Code as identifying information and deny the request made under division (B) or (C) of this section if the agency, attorney, court, person, or other governmental entity determines that the information could lead to the identification of the adoptive parent. This determination shall be done on a case-by-case basis.
