

## Ohio Revised Code

### Section 3119.06 Minimum child support order.

Effective: March 22, 2001

Legislation: Senate Bill 180 - 123rd General Assembly

---

Except as otherwise provided in this section, in any action in which a court issues or modifies a child support order or in any other proceeding in which a court determines the amount of child support to be paid pursuant to a child support order, the court shall issue a minimum child support order requiring the obligor to pay a minimum of fifty dollars a month. The court, in its discretion and in appropriate circumstances, may issue a minimum child support order requiring the obligor to pay less than fifty dollars a month or not requiring the obligor to pay an amount for support. The circumstances under which a court may issue such an order include the nonresidential parent's medically verified or documented physical or mental disability or institutionalization in a facility for persons with a mental illness or any other circumstances considered appropriate by the court.

If a court issues a minimum child support order pursuant to this section and the obligor under the support order is the recipient of need-based public assistance, any unpaid amounts of support due under the support order shall accrue as arrearages from month to month, and the obligor's current obligation to pay the support due under the support order is suspended during any period of time that the obligor is receiving need-based public assistance and is complying with any seek work orders issued pursuant to section 3121.03 of the Revised Code. The court, obligee, and child support enforcement agency shall not enforce the obligation of the obligor to pay the amount of support due under the support order while the obligor is receiving need-based public assistance and is complying with any seek work orders issued pursuant to section 3121.03 of the Revised Code.
