

Ohio Revised Code

Section 3301.11 Superintendent of public instruction shall be executive and administrative officer of board.

Effective: July 1, 1993

Legislation: House Bill 152 - 120th General Assembly

The superintendent of public instruction shall be the executive and administrative officer of the state board of education in its administration of all educational matters and functions placed under its management and control. He shall execute, under the direction of the state board of education, the educational policies, orders, directives, and administrative functions of the board, and shall direct, under rules and regulations adopted by the board, the work of all persons employed in the state department of education.

Upon the request of the state board of education, the superintendent of public instruction shall report to the board on any matter.
