Effective: [March 2, 2021](#)

Legislation: [Senate Bill 89 - 133rd General Assembly](#)

For the 2021-2022 school year and each school year thereafter, a student is an "eligible student" for purposes of the educational choice scholarship pilot program if the student's resident district is not a school district in which the pilot project scholarship program is operating under sections 3313.974 to 3313.979 of the Revised Code, the student satisfies one of the conditions in division (A), (B), or (C) of this section, and the student maintains eligibility to receive a scholarship under division (D) of this section.

However, any student who received a scholarship for the 2020-2021 school year under this section, as it existed prior to the effective date of this amendment, shall continue to receive that scholarship until the student completes grade twelve, as long as the student maintains eligibility to receive a scholarship under division (D) of this section.

(A)(1) A student is eligible for a scholarship if the student is enrolled in a school building operated by the student's resident district and to which both of the following apply:

(a) The building was ranked in the lowest twenty per cent of all buildings operated by city, local, and exempted village school districts according to performance index score as determined by the department of education, as follows:

(i) For a scholarship sought for the 2021-2022 or 2022-2023 school year, the building was ranked in the lowest twenty per cent of buildings for each of the 2017-2018 and 2018-2019 school years.

(ii) For a scholarship sought for the 2023-2024 school year, the building was ranked in the lowest twenty per cent of buildings for each of the 2020-2021 and 2021-2022 school years.

(iii) For a scholarship sought for the 2024-2025 school year or any school year thereafter, the building was ranked in the lowest twenty per cent of buildings for at least two of the three most recent consecutive rankings issued prior to the first day of July of the school year for which a

scholarship is sought.

(b) The building is operated by a school district in which, for the three consecutive school years prior to the school year for which a scholarship is sought, an average of twenty per cent or more of the students entitled to attend school in the district, under section 3313.64 or 3313.65 of the Revised Code, were qualified to be included in the formula to distribute funds under Title I of the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.

When ranking school buildings under division (A)(1) of this section, the department shall not include buildings operated by a school district in which the pilot project scholarship program is operating in accordance with sections 3313.974 to 3313.979 of the Revised Code.

(2) A student is eligible for a scholarship if the student will be enrolling in any of grades kindergarten through twelve in this state for the first time in the school year for which a scholarship is sought, will be at least five years of age, as defined in section 3321.01 of the Revised Code, by the first day of January of the school year for which a scholarship is sought, and otherwise would be assigned under section 3319.01 of the Revised Code in the school year for which a scholarship is sought, to a school building described in division (A)(1) of this section.

(B) A student is eligible for a scholarship if the student is enrolled in a nonpublic school at the time the school is granted a charter by the state board of education under section 3301.16 of the Revised Code and the student meets the standards of division (B) of section 3310.031 of the Revised Code.

(C) A student is eligible for a scholarship if the student's resident district is subject to section 3302.10 of the Revised Code and the student either:

(1) Is enrolled in a school building operated by the resident district or in a community school established under Chapter 3314. of the Revised Code;

(2) Will be both enrolling in any of grades kindergarten through twelve in this state for the first time and at least five years of age by the first day of January of the school year for which a scholarship is sought.

(D) A student who receives a scholarship under the educational choice scholarship pilot program remains an eligible student and may continue to receive scholarships in subsequent school years until the student completes grade twelve, so long as all of the following apply:

(1) The student's resident district remains the same, or the student transfers to a new resident district and otherwise would be assigned in the new resident district to a school building described in division (A)(1) or (C) of this section.
